

## Prices [August 2016]

With Atlantic Tours Ireland there are prices to suit all pockets and all destinations. As all journeys and tours are probably of different duration and distance, depending on the preferred scenic route or historical route or perhaps merely the shortest route, the following information will give you an indication of the price.

NTA (National Transport Authority) is the Government Agency regulating transport of passengers in Ireland.

You can download their app. *Fare Calculator* for free.

Key in your current destination and then your desired destination.

This will tell you the distance, the estimated time and the estimated price of each journey.

With this knowledge then, get a quote from Atlantic Tours Ireland and save €s €s €s!
